The game is a combination of many genres, such as first person shooting, survival horror, and RPG, and incorporates satire of the video game industry, which provides the player with a sense of humor, using the player characters' vulgar and illogical dialogue, and situations they encounter. Gameplay Rockstar Games takes its franchise first person shooter approach to satire in the series of characters, situations, and fictional scenarios in the story. Like most games set in a dark fantasy world, the events are inspired by real life events. Consequences The game is set in a fictional universe, and follows an unrelated story line to the Grand Theft Auto games. It starts in the same world as Grand Theft Auto IV, but with a new character and a different story line. Like the previous games in the series, the story is the main focus and gameplay is the supporting mechanic. Gameplay in Call of Duty: Canis Canem Edit is broken into four major sections: a stealth survival horror, a non-linear third-person action-shooter-based shooting, a platforming, and a campy romp mode. The game also features a unique interplay between the story and the

gameplay in Canis Canem Edit. Plot The Canis Canem Edit story follows the life of a criminal named "John Doe" (or, in the original script, "John Doe/Teamed with Dingo") as he begins a criminal career in the open-world setting of the fictional metropolis known as "Quaodamnum". John Doe is a young orphan, the son of Dr. Wright (professor of Biology), who was kidnapped by a large group of Mafiosi before John's birth. He was raised and raised with a group of other kidnapped children and trained to become a murder-for-hire. John was ultimately captured by a group of Mafiosi known as the "Lungs". John was then sold into a mine where he was forced to mine diamonds. While in the mine, John (now calling himself "John Doe" by then) meets a young girl, who tells him she's also from a mine. At the end of the mine, John is rescued and taken to an orphanage, where he is renamed "John Doe" and raised by a pre-adolescent girl named "Kid". Five years later, John Doe is now working as an assassin in the open-world city of "Qua 82157476af
